Who am I?

I am a UK trained surgeon and have been working as a Specialist Paediatric Surgeon in Hamilton, Waikato since 2016.

Training

I trained in Paediatric Surgery in the South-East of England and obtained my Fellowship from the Royal College of Surgeons of England in 2014.

Whilst I am experienced in the breadth of Paediatric Surgery and Urology, my areas of special interest are Minimally Invasive Surgery (Laparoscopy/Thoracoscopy), Endoscopy (Gastroscopy and Colonoscopy in children) and Gastrointestinal surgery.

I am a member of the New Zealand Society of Paediatric Surgeons and the British Society of Paediatric Surgeons.

Conditions I treat

Paediatric Surgery covers many different aspects of childhood illness. This list is not exhaustive but rather offers a guide to conditions I commonly treat;

- Hernia
- Undescended Testes
- Phimosis
- Tongue-tie in Breastfed babies
- Recurrent UTI
- Wetting
- Kidney problems (dilatation, scarring etc)
- Constipation
- Abdominal Pain
- Chest Wall anomalies
- Skin Lesions
- Gastro-oesophageal Reflux
 - (including pH / Impedance testing)
- Coeliac Disease diagnosis
- Inflammatory Bowel Disease diagnosis
